

## **Developing the Educational and Vocational Center**

A New set of young talented speech and Hearing impaired girls are visiting U.S from 17th September 2015.

To Showcase their talents at various venues in U.S.This tour program has been ably organized and conducted by our international coordinator Mr.Swaminathan .R.

We appeal to all of you to extend your support to us on our endeavor to educate and rehabilitate the differently Abled children n of the society.

The academy as purchased 4 Acares of land at Chamarajanagar with the support of your noble donations. foreign funds which was contributed to us in our previous tours with visually impaired dance group.

we are planning to develop A Educational ,A Vocational center for both visually impaired and hearing impaired children in the land which we have purchased.

This will be possible only when all of you put your hands together.
